

setonix

INTRODUCING SETONIX

Standing Wheelchair

Designed for those who are looking for freedom of movement, you can now stand up with the push of a button with the new Setonix standing chair. The Setonix is a rehabilitation tool you can use at any time of the day that offers infinite possibilities, not to mention improved reach in all aspects of your life.

EASY-TO-USE HAND CONTROL

Simple, 2-button hand control gives you easy access to stand when you need to.

FLIP-BACK ARMRESTS

Setonix flip back armrests offer added convenience and security while standing.

JAY® CUSHION & BACK

JAY has solidified themselves as the best in positioning. The Setonix employs a JAY BasicPRO cushion and a JAY J3 backrest.

QUICK RELEASE WHEELS

The rear wheels are easily removed for transport or storage.

Finally. Aordable Standing .

All of the health benets of standing for a fraction of the price
